**PENSIONS AND SECURITY** CHAIRMAN Johnny B. Maddox is shown reading the short statement on the P — S Board action Tuesday afternoon. Looking on is P & S Director Ron Smith who heard Maddox inform the press of Smith's termination.

## Ronald Smith Terminated As P & S Director

The rumors circulating for weeks in Coffee County about problems in the "Coffee County Pensions and Security Department" climaxed Tuesday afternoon with a short announcement by P & S Board Chairman John B. Maddox that Director Ron Smith had been terminated.

The announcement came shortly before 3 p.m. following an executive session of the board that began at 1:30.

Maddox reopened the meeting after making good on a previous promise that everyone would get the "word" at the same time. He opened the door and confirmed the various news media were represented before allowing anyone in the room.

The statement read by Maddox said: "The Coffee County Board of Pensions and Security announces the termination of Ronald G. Smith as director of Coffee County Pensions and Security De-

partment effective December 22, 1981."

Maddox said an interim director would be named later. He responded to all other questions with "No comment."

It was learned later that before leaving, the board named Mrs. Joyce Stanford as interim director and Mrs. Rita Dubois as interim director of the food stamp program, in Mrs. Stanford's place.

Following the meeting and announcement, Smith gave the following statement to *The Elba Clipper*: "I have enjoyed working as director of the Coffee County Department of Pensions and Security. This department has grown greatly since I became director on March 1, 1977. I have always held the philosophy that service to the people is the top priority of an agency such as this, and I have strongly held to this philosophy during my tenure as director of this agency."

The director of the county agency serves at the pleasure of the board, according to Alabama law, and a recent opinion by the attorney general indicated the above and read that when this person no longer pleases a majority of the board, he or she can be terminated without cause.

A number of special executive meetings have been held in recent weeks by the Pensions and Security Board. No news statements have been released on these meetings, but department employees report they had all been called before the board for individual interviews on the department.

Members of the Coffee County Pensions and Security Board in addition to Maddox include Marvin Carroll, John Glenn Lee, Rufus Wilson, Mrs. Mary Helms, Paul Jones and Mrs. Ann Nichols.

## McCollough Named Middle School Principal

By NITA LACKEY

The new Elba Middle School principal was named at the December meeting of the Elba Board of Education. Upon Superintendent John Osburn's recommendation, the Board approved Mickey McCollough as the new principal/junior high coach. He is currently teaching at Brundidge, in the Pike County school system.

McCollough, who will officially assume his duties on Monday, Jan. 4,

1982, has 15 years' experience in the classroom. He also has experience as a junior high and varsity level coach.

He has served as a city recreation director, as well as coordinator of a community education project.

McCollough, age 37, his wife, Paula, and three children, Sandy, 15, Mike, 13, and Lance, 6, are presently living in Elba.

He was one of seven applicants vying for the position, according to

Superintendent Osburn. "I was extremely gratified with the high qualifications of all the applicants for the position," Osburn said.

In other business the Board:

appointed Supt. Osburn to make applications for any monies that may be available;

adopted a policy restricting the acceptance of gifts from vendors or companies designed to do business with boards of education.

## Coffee County Commission Held In Contempt Of Court

The Coffee County Commission's jail problems took a turn for the worse on Tuesday, December 8, when Circuit Judge Arthur E. Gamble found the commission in contempt of court for its failure to comply with a court order to build a county jail in Enterprise.

The order, filed in the circuit clerk's office in Enterprise, gave the commission 90 days to purge themselves by taking action to comply with the court order before penalties will be imposed against it. The judge also added that an earlier plan to build a four-cell jail in Enterprise would not comply with his 1979 order. Commissioners were ordered to pay \$1000 toward court costs and partial fee to plaintiffs B.Z. Reynolds and Hooker Ames' attorney, Joe Pittman.

When asked if the contempt order included former commissioners Bennie Beckham, Don Smith, Max Reeves and Jack Horstby, who were in office when the original suit was filed, County Attorney Warren Rowe stated: "The former commissioners were never released as defendants, and I would assume they are included; however, I will seek a clarification from the judge."

Circuit Clerk Jim Ellis said the commissioners will not be arrested due to the contempt ruling, but will be served with a copy of the contempt order. Further action will await Gamble's assessment of their com-

pliance, or the lack of it, at the end of 90 days.

In handing down the order, Judge Gamble withheld a decision on Probate Judge James Sawyer's motion asking that he be appointed a receiver to construct the jail in Enterprise, noting that the decision will be delayed until a later date.

"The defendants (commissioners) have had at least three prior contempt petitions filed against them and have made no substantial efforts to comply with the court's order," Gamble said, "and each time a contempt petition is heard they have sought further delays. The court is of the opinion that the defendants' proposal to construct a four-cell jail will not comply with the law requiring an adequate jail, and is another delaying tactic."

Gamble further found that the commissioners have had sufficient time and opportunity to either comply with the court's order and law, or have the law changed, and that they have failed to do either.

The commission went before Gamble for its fourth contempt-of-court hearing on September 23, and at that time the plaintiffs' attorney argued that the body had reached a stalemate in its efforts to build a county jail in Enterprise. He also presented an alternative plan to begin the construction in the form of Probate Judge

Sawyer. Sawyer agreed with Pittman's contention that the commission's planned four-cell jail for Enterprise would fall far short of meeting the needs for the Enterprise division of the county.

Commissioners voted to erect a four-man jail for Enterprise and to tie it to substantial renovation of the Elba jail and courthouse and the building of a new courthouse for Enterprise. A sales tax measure to finance the plan or, if the law can be changed, to finance either a centrally located jail, judicial facility or single courthouse and jail, passed the state legislature on the last day of the special session November 30.

In a non-related incident on November 17, a state inmate who had spent 30 days in the county jail in Elba filed suit in federal court over conditions at the jail. When commissioners received the suit, members did an about-face, and on November 23 voted to try to change the state law which requires two jails in the county, and to erect a centrally-located jail between Enterprise and Elba.

In his ruling, Gamble said commissioners have had enough time in the two years since his original order to have that law changed and have failed to do so.

**NEW POLICE CHIEF** Richard Reeves, left, is sworn into office during ceremonies at the Elba City Council meeting Monday night. Looking on is Reeves' wife, Vickie.

## Reeves Named Elba Police Chief

The Elba City Council voted unanimously Monday night to name Richard A. (Dick) Reeves as Chief of Police. The motion was made by Councilman Sunny Inman. Reeves, who previously had been informed of the decision reached by the council in executive session, was present and prepared to take the oath of office. This was administered by City Attorney Mark Vaughan.

Present for the ceremony were several friends and former fellow workers of Reeves' when he was a member of the Montgomery police department for 21 years, along with Reeves' wife, Vickie.

Reeves is a native of Montgomery, is 42 years old, a veteran of the U.S. Navy, began his police work with the Montgomery Police Department as a rookie patrolman in 1960 and moved up through the ranks to major and commanding officer of the Criminal Investigation Division before retiring. He has since worked as a personal security officer for a member of the Saudi Arabia royal family on a visit to the U.S.

Reeves began work on Tuesday morning after the swearing-in ceremony, but had met informally with members of the police department on Saturday afternoon prior to the appointment.

He stated he didn't plan any major changes, at least for a while. The most pressing problem will be improving

department morale, as can be expected when a new boss comes in from the outside, said Reeves. He indicated he will stress professionalism and will work for continuing professional training of the department.

This training will not necessarily be in going to school away from Elba, as Reeves himself has taught criminal justice at Troy State. He also feels he knows enough experts in specialized fields who are willing to donate their time to helping train the Elba police department that he should have no trouble getting all the help he needs.

Among the awards he has received are a Citizenship Award by the Montgomery Civic Club in 1964; Policeman of the Year by the Capitol City Jaycees in 1971; and a Certificate of Apprecia-

tion by the Montgomery Community Action Agency in 1972.

While with the Montgomery Police Department Reeves worked in a number of specialties as he moved up through the ranks. These include Youth Aid, Records and Communications Supervisor, Community Relations Bureau, Bureau of Staff Services, Administrative Assistant to chief of police; Commanding Officer for Bureau of Special Investigations (narcotics and dangerous drug enforcement); Commanding officer of Montgomery Police Academy; Commanding Officer of the Special Services; and at retirement commanding officer of the criminal investigation division with 80 employees and second in line of succession for command of the Montgomery Police Department.

## Frank Ashe Indicted On 24 Counts Of Mail Fraud

Records in the Montgomery office of the Clerk of the U.S. District Court indicate that Frank N. Ashe Jr., formerly of Elba, was indicted for mail fraud by a federal grand jury on November 3.

A telephone contact with the office on Monday of this week indicated Ashe

was indicted on 24 counts of mail fraud. No information was available on the nature of the fraud charges.

Ashe was arraigned on November 18, 1981, and pleads not guilty. No trial date has been set.

He was charged and indicted under Title 18, U.S. Code, Section 1341.

**THE COFFEE COUNTY JUNIOR MISS PAGEANT** was held in Enterprise Saturday, December 5, and two Elba girls were winners. Pictured are L-R: CANDACE BERRY, Elba, daughter of Mr. and Mrs. Harold Berry, winner of the Scholastic Award; Carol Gibbs of Enterprise, Spirit of

Junior Miss winner; VONDA MARLER, Elba, daughter of Mr. and Mrs. Wayne Marler, first runner-up, and winner of Poise and Appearance award; winner Tammi Burdick of Enterprise; second runner-up, Lisa Hamilton, Enterprise.

## Brainstorms

By FERRIN COX

It is awful hard to believe but Christmas is upon us again. Christmas 1980 was only a few weeks ago, it seems. However, if we judge by the number of people who turned out for the Elba Christmas parade last Saturday afternoon, a lot of automobile are getting themselves ready for the visit from the bearded old man.

It is impossible not to realize that the holiday season is upon us, even if it does come three times a year. Any person in downtown Elba since Thanksgiving has surely seen our good friend Jimmy Foley helping the local police look after the turning on of the Christmas lights. Jimmy watches with interest as the lights are installed, and he makes sure they are turned on each night before he goes home. Good work Jimmy.

Reports continue to surface that the automobile industry is experiencing low, low sales volume. Americans may have lost the love affair with cars, or we may be just driving them a little longer; then all of a sudden the car business will boom—that is, after we all have completely worn out the clunker we put a new set of rings in last summer. A lot of automobile dealers seem to be hanging on and dreaming of the boom; however, we get some reports of car dealers who are accepting the facts and have adjusted their business to fewer sales and are actually making money.

President Reagan announced plans to cut the federal deficit by cutting spending and raising taxes. Experts said this would cut inflation and we all breathed a sigh of relief. Now comes the word that the federal deficit could—probably would—soar to \$109 BILLION in 1982 and increase in coming years. With the feds spending this much more than they take in, we wonder what will happen to the war on inflation. The Democrats are already blaming the huge deficits on Reagan and pointing out that the last record deficit was set by Ford (another conservative Republican). The overspending worries us, but we realize that any time we stop the free flow of dollars from the printing presses, it takes some time to adjust... we only hope to survive the adjustments.

The selection of a new police chief for Elba took place as scheduled. We are impressed with the background of Chief Dick Reeves and also with our conversations one-on-one. We see a man with a lot of training and experience—and a man with a lot of common sense to properly utilize his training and experience. Our impressions seem to be supported by the strong support he receives from those who have worked with or around him during his tenure in Montgomery. This man was selected from a whopping field of 37 applicants!

The Elba School Board named Elba native Mickey McCollough as the new principal of the Elba Middle School, replacing resigning Charles Pearce who wants to go back to the farm fulltime. Mickey and his family are well-known in Elba, being active in many civic activities. We salute him and wish him well.

P.S. The McCollough family was selected by this newspaper in 1977 as the Christmas Family.

## EVERY WAGE EARNER CAN SAVE TAX DOLLARS

NOW, FOR THE FIRST TIME WITH...

### Individual Retirement Accounts

#### A NEW TAX SAVING OPPORTUNITY FOR ANYONE NOW COVERED BY AN EMPLOYER SPONSORED PENSION PLAN

You Can Save Thousands of Tax Dollars While Saving For Your Retirement Years

#### IMPORTANT NEW TAX LAWS AFFECT EVERY WAGE EARNER

As of January 1, 1982, every wage earner, even though they are active participants in an employer sponsored pension plan, can make tax-sheltered contributions to an Individual Retirement Account (I.R.A.). Your I.R.A. contributions will accumulate tax-deferred with compounded interest until retirement.

The following are some of the important points concerning the new pension regulations.

#### WHAT IS AN INDIVIDUAL RETIREMENT ACCOUNT (I.R.A.)?

An I.R.A. is a personal tax sheltered retirement savings plan. Millions of American workers are using I.R.A.s to both reduce their taxes and build a more secure future for themselves and their families.

#### WHO NEEDS AN I.R.A.?

Just about everyone who wants to retire comfortably. To maintain your current life style it is estimated that you will need between 70% - 80% of your pre-retirement income when you retire. Since Social Security will contribute only about 30% and a pension plan approximately 30% more—an I.R.A. can make the difference for a comfortable, independent retirement.

#### ARE THERE DIFFERENT TYPES OF I.R.A.'s?

Yes. Contributory I.R.A.'s are for wage earning individuals. Spousal I.R.A.'s are for married couples where only one spouse is employed.

#### WHAT ARE THE MAXIMUM CONTRIBUTIONS?

Maximum contribution for Contributory I.R.A. is \$2,000. Maximum contribution for Spousal I.R.A. is \$2,250. (or 100% of compensation, whichever is less)

#### WHAT IS THE DEADLINE FOR OPENING OR CONTRIBUTING TO AN I.R.A.?

Contributions to an Individual Retirement Account (I.R.A.) may be made no later than the due date (April 15th, including extensions) of the taxpayer's return for the tax year.

#### CAN BOTH MEMBERS OF A MARRIED COUPLE HAVE SEPARATE I.R.A.'s?

Yes. Each one may contribute up to \$2,000.

#### HOW DOES I.R.A. SAVE ME TAX DOLLARS?

For Federal income tax purposes, contributions to your I.R.A. are fully deductible from gross income, up to the maximum allowed by law. You may make this deduction even though you do not itemize other deductions.

During the years the plan is in force, earned interest is also added to your I.R.A. These earnings are also tax-deferred. Compounding of the interest over the years generates more dollars to build a retirement fund significantly larger than would be possible with taxed dollars. In addition, you realize further benefit because your I.R.A. contribution puts you in a lower tax bracket.

#### WHEN ARE TAXES PAID?

No Federal income tax is paid on either savings or interest until distribution begins. At that time most individuals are in a lower tax bracket, with perhaps more exemptions available so that the tax savings can be considerable.

#### WHEN ARE THE BENEFITS PAID?

Anytime after 59½, but payments must start before 70½, or upon permanent disability or upon death (to named beneficiaries).

You may elect to receive your retirement benefits in a lump sum or if you wish on a regular scheduled basis.

#### HOW ARE BENEFITS TAXED?

Benefits are taxed as ordinary income as they are received in a taxable year. If you choose to receive your benefits in a lump sum, you may be able to use the five-year income averaging provisions available to all taxpayers.

#### HOW IS AN I.R.A. STARTED?

Opening an I.R.A. is as easy as opening a Savings Account. Visit us in person or write for the sample forms to get started. Don't wait until the end of the year because you probably will have a difficult time saving up enough money in a short time — so start now.

### 4-H Council Meets

The Coffee County 4-H Council met on November 24 in the Community Room at the Coffee County Extension Office. Deborah E. Coal, 4-H Club learned about the president, called the meeting to order and led the Pledge of Allegiance to the American Flag, followed by the 4-H Club Pledge. Deborah welcomed approximately 90 4-Hers, parents and teachers, and briefly explained the function of the 4-H Council. Rhonda Baker, gave a report on Council activities.

Mrs. Sharon Walker, 6th grade teacher and 4-H sponsor at New Brockton, gave an inspirational talk on what 4-H means to her as a former member. Sandra Walker, a senior 4-H member, expressed vividly what 4-H means to her. Deborah then introduced Angela Hughes and Jack Tatum, Coffee County 4-H leaders, who explained the 1981-82 4-H program. They encouraged everyone to support the program in every way possible to help make the new year work very successfully.

Nominations were then opened for the election of 1981-82 County Council and representatives from the County. The

Cotton Crop News

Prospects for a very large 1981 cotton crop have resulted in sharply lower prices this fall. The 15.6 million bale estimate will be the biggest crop in 28 years, according to USDA officials.

If the 1981 average farm price is less than the target price of 70.87 cents a pound, farmers could be eligible for deficiency payments. Robert English, chairperson of the Coffee County Agricultural Stabilization and Conservation Committee, said, "To be eligible, however, farmers had to accurately and timely report their crop acreages to the agency this summer."

### DELICIOUS

For those of you who are trying to decide whether to buy turkey or ham for Christmas, I hope you will buy a ham. Why? Because Coffee County farmers raise a lot of hogs. Priced are low. With good sales of hams at Christmas, you could help the market early next year. We don't have any turkey growers in this county.

In addition, good lean hams are highly nutritious and easily fixed. Leftover ham and turkey can also be used in a lot of other ways by the family during the holidays.

A group of soybean and peanut producers told me a few days ago that producers need education in marketing more than any other thing. In January we are planning some meetings on marketing which will help farmers make

### SAFETY

Tragic accidents with firearms and automobiles continue to happen. If your son is getting his first gun or Christmas, let me caution you to give him some intense safety training. If you can get his full attention for even just a few minutes, you may be able to prevent a tragic accident.

About 10 years ago I went hunting with a couple of friends of mine. They were so careless with those guns that I decided I wouldn't go hunting with them again.

### COUNTY EXTENSION COUNCIL

Mack Donaldson of the Curtis Community was elected

vice-president of the Coffee County Extension Council Tuesday night. Denaby Lowery of the Zion Chapel Community was elected vice-president. Mrs. Lewis Ellis of Enterprise was elected secretary-treasurer.

Over the years this group has done some excellent planning. However, I feel like the planning done by this group last Tuesday night was as good or better than any other previous planning. About 100 people came and participated in this program which outlines Extension's educational emphasis for 1982. We are certainly indebted to the members of the Council for taking their time to help plan a high quality program.

Over the years this group has done some excellent planning. However, I feel like the planning done by this group last Tuesday night was as good or better than any other previous planning. About 100 people came and participated in this program which outlines Extension's educational emphasis for 1982. We are certainly indebted to the members of the Council for taking their time to help plan a high quality program.

## Miss Bruce Given Tea At Home Of Mrs. Martin

Toby Lee, son of Susan Lee of Elba, and grandson of Mr. and Mrs. Gordon C. Lucick, New Brockton, attended the American Tea-Kwon-Do Association in Mobile Saturday, Nov. 21. Toby won second place in the green-belt free sparring division. Participants came from four states—Alabama, Florida, Mississippi and Louisiana.

The home of Mrs. Doug Martin was the setting for an afternoon tea honoring Miss Susie Bruce, bride-elect of Sam DeVane, on Saturday, November 21. Hostesses were Mrs. M.J. Lee, Mrs. A.C. Brunson Jr., Mrs. Ted Vaughan, Mrs. Gerald Tucker, and Mrs. Philip Scarborough.

The guests served themselves from the dining room table which was covered with an ecor crocheted cloth. Silver trays were filled with fruit, sandwiches, chicken salad pastries, cheese balls, sand tarts and hot. A beautiful arrangement of roses was placed in the center of the table. The other party rooms were attractively decorated with arrangements of carnations.

NEW MEMBERS being inducted into Psi Chapter of Delta Kappa Gamma at its 41st annual banquet at Holley's Restaurant on November 21 are: Melinda Sanders, June Brown, Elaine Hilton and Mary Holley. Psi Chapter president, Merle Bragg, welcomes the candidates. Thirty-nine members and guests enjoyed the banquet. Steve Thompson, band director at Elba High School, and the EHS Jazz Band entertained with several selections.

## Elba Models Display Fall Fashions In November Fashion Show At TG&amp;Y

By NITA LACKEY

The feel of autumn was in the air at the recent TG&Y fashion show, with models in warm plaids and bright flannel shirts. Thirteen models, with three outfits each, showed everything from nightgowns for a cold winter's night, to coats and vests for the chilly outdoors.

On Saturday, Nov. 14,

students from Elba elementary, middle and high schools gathered to present to the public fall fashions which are available at the TG&Y store.

Ms. Joyce Farris, who was in charge of the show, said the store plans another fashion show in the spring to show off the new outfits that will be available then.

Melissa Hall and Jeff Hornsby team up to make a cute couple in the TG&Y fashion show. Both looked ready for a day at the playground.

Cara English, above, is dressed in a camouflage blouse with hunter green pants for the November 14 fashion show.

Meredith Devane is shown above wearing a ruffled blouse that is available at the TG&Y store.

Celia Hayes is shown above in a plaid blazer with matching skirt, one of the outfits she modeled in the TG&Y fashion show recently.

## Selecting Your Tree

Every year thousands of Christmas trees are bought by Alabamians. They come in many sizes, shapes, and species. But, like everything else, we want to get our money's worth out of our tree and have it remain fresh and attractive for as long as possible. One of the most important attributes of a Christmas tree is freshness.

A fresh, green tree is not only more attractive, and sheds fewer needles on the carpet. It is also safer. A fresh evergreen tree does not burn easily. There are a few rules that can help a consumer to select a fresh tree:

1. Bend one of the tree's needles and release it. If the needle springs back to its original position it is fresh.

2. Bump the base of the tree against the ground. If the tree is fresh, only a minimal number of needles will fall off. If bumping the tree against the ground produces a shower of falling foliage, it isn't as fresh as it ought to be.

On arriving back home with the new tree, it should immediately be placed in water in a shady, unheated place. At least one-half inch should be cut off the tree's base before it is set up. This fresh cut will allow the tree to absorb water more readily.

Food processors: This is a good, space-saving idea for the person who does not already have a mixer, blender or food grinder. The make sure there's room for a new appliance before you buy it.

When selecting a gift, don't overlook these ideas:

Microwave ovens: Consider a middle-of-the-line model or basic microwave oven which is simple to operate. A top-of-the-line model may be more complicated than many women want to master.

Portable convection ovens: While reported to be faster than a conventional oven, convection cooking will not rival microwave cooking for speed. It does, however, brown food nicely as in conventional cooking.

## Mrs. Killingsworth Stays Quite Busy

Teaching is a part of Mrs. Killingsworth's life even when she is not at school. She comments, "I'm always wondering what I can do to help a certain student, or what I did wrong today. Also, teaching English requires paperwork at home—that's just part of it."

Many activities occupy Mrs. Killingsworth's time

when she isn't teaching. She leads a Sunday school class and an Acteens group at New Hope Baptist Church. She is also a member of Delta Kappa Gamma, as well as several other professional organizations. In her leisure time, she enjoys cooking, reading, cross-stitch, and spending time with her husband, Rex, and sons, Kevin and Todd.

The club made plans to have their annual hamburger cookout later in the year. The fruit sale was a success for the club, and was stated as top sales for the club.

The pledge was given and refreshments were served in the shop. **Reporter: Mickey Maddox, Editor: Mike Canley.**

## Elba FFA Sponsors Area Program

On Thursday, Dec. 3, Elba High School was a place for beauty. The F.F.A. sponsored a program to which they invited New Brockton and Enterprise F.F.A. members. The program began when President Tommy Robinson called the meeting to order. The devotion was led by Philip Brown. Florence Barnes then sang a

song entitled, "Memories." Afterwards the program was turned over to Mrs. Dilbeck, from the Barbizon School of Modeling. Mrs. Dilbeck talked about how to apply makeup. She also talked

about dieting, how to dress, manicures, hairstyles, and the various different programs that the Barbizon School offers for both males and females. Before leaving, she gave the members cards to fill out and said she would contact them later to give them more information on the programs in which they are interested. It was an interesting program that was enjoyed by all. **Reporter: Cathynette Carpenter.**

### Elba FFA Holds Dec. Meeting

The Elba Chapter Future Farmers of America met December 3. President John Meacham called the meeting to order. Vice-president Charlie Marlar called roll of officers. Ben Mallory called membership cards. Treasurer Rhett McCollough gave the financial report.

Students enrolled in the ICT (Industrial Cooperative Training program) or in other vocational courses, such as welding or auto mechanics, may become members of the club. Participating members develop leadership, fellow-

### VICA Instills Drive For Goals

By NANCY LINDSEY VICA (Vocational Industrial Clubs of America) is a co-educational youth organization designed to serve the needs of our state's many thousands of students who are actively pursuing studies in trade, industrial and technical education.

Each state that has a VICA charter is composed of local clubs established in public schools offering trade and industrial education courses. It is governed by a state executive and advisory committee, composed of student state officers, trade teachers, coordinators, and supervisors.

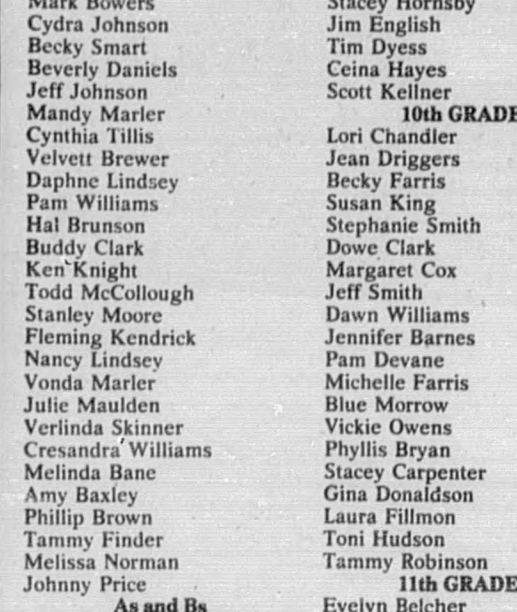

VICA tries to instill in each member a drive to pursue useful goals. Among the many purposes of the organization, the following

are some of the most valued: 1. To unite in a common bond all students enrolled in trade and industrial education. 2. To develop leadership qualities. 3. To foster a deep respect for the dignity of work. 4. To assist students in establishing realistic vocational goals. 5. To create enthusiasm for learning.

6. To develop the ability of students to plan together, organize, and carry out worthy activities and projects through the use of the democratic process.

SENIORS OF THE WEEK

### Seniors Of The Week

Music plays an important role in the life of Florence Ann Barnes. She sings for various events around Elba, and is director of the Holy Angels Gospel Singers. Florence is also a member of the "E" Club at Elba High School. Tim plans to be employed as a welder after she graduates from high school.

In her leisure time, Annie Dean Belcher enjoys several creative activities, such as singing and writing, as well as listening to music, talking and reading. Annie attends the Memorial Church of God in Christ, and is the daughter of Mr. and Mrs. William Belcher. When she has graduated, Annie plans to attend college, possibly at ESJC.

PAINTINGS, needlepoint, sketches and many other kinds of artwork decorated Mrs. Butts' classroom as English literature students turned in projects Monday, Nov. 30. The projects depicted various writers, characters, scenes, poems

and phrases from English literature. Mrs. Butts evaluated them on the basis of originality, appearance and the amount of time required to make them.

"There's no blind as they that won't see," Jonathan Swift

don't establish a sense of right and wrong, they're lost." However, she says, "They tell me that I sound like their mother!"

The qualities that a student must have, Mrs. Killingsworth said, are, "an inquisitive mind and a desire to learn about the world around him." She believes that the biggest problem students face is a lack of confidence in their own abilities.

Mrs. Killingsworth began teaching at Elba fifteen years ago. In addition to ninth grade English, basic grammar, and basic composition, which she currently teaches, Mrs. Killingsworth has taught several other classes at both the high school and the middle school.

"Endless patience, understanding, and concern for a student's well-being as well as his academic knowledge," said Mrs. Killingsworth, "are qualities a teacher must have." She shows her concern for her students by teaching them many lessons other than English.

She explains, "Part of teaching is trying to set an example for students. If they

The French Club of Elba High School enjoyed an outing to Skateland in Enterprise on Tuesday evening, Dec. 1. This was a special night in that the admission was not in money, but a desire to learn about the world around him. She believes that the biggest problem students face is a lack of confidence in their own abilities.

The party departed from Elba High School by bus at 5:00 p.m., and journeyed to Enterprise, where they enjoyed their evening meal and then went to Skateland at 7:00 p.m.

They were chaperoned by Mrs. Sylvia Padgett, sponsor, Kyle Padgett, Mrs. Jimmie Davis, and Mrs. Doris Mallory, bus driver.

### Beauties Try For Miss ESJC

Twelve campus beauties will compete for the Miss ESJC title at the annual Miss ESJC Pageant at Enterprise State Junior College at 7 p.m., Thursday, Dec. 10.

Teresa Ann Broome, Kelly Buckner, Sharon Dianne Cantrell, Deana Lynn Craig, Denise Camille Johnson, and Donna Lynn Jones, Enterprise; Linda Nell Miller, Brundidge; Janet Grace Brown, Daleville; Sharon Jill Smith, Kinston; Ruby Dianne Burrows, New Brockton; Gloria Bernette Baker, Ozark; and Tammy Scott, Dothan, are the contestants in this year's pageant.

Miss Jenny Ingram Haines, Miss ESJC 1978, will serve as mistress of ceremonies, and last year's queen, Miss Annette Sparks, will provide entertainment for the pageant.

Mrs. Karen Logan, ESJC secretarial science instructor, is pageant director. Judges are Ms. Courtney Parker Murphy, Alabama Film Commission, Montgomery; John Powell, executive director of the National Peanut Festival, Dothan; and Ms. Carolyn Gibson, director, Placement Services, Troy State University, Troy.

Since the Miss ESJC Pageant is a part of the Miss America program, girls will be judged on swimsuit, talent, evening gown, and interview competition. The winner will represent ESJC at the Miss Alabama Pageant in Birmingham next June and should she win that title go on to the National Miss America Pageant next fall.

Tickets will be available at the door, and ESJC students and faculty will be admitted on their ID cards.

Elba ESJC Students On Honor Roll

Five Enterprise State Junior College students of the 173 on the student Dean's List continued to maintain a perfect 4.0 (A) grade point average and 23 made the honor roll four or more times.

To qualify for the Dean's List a student must be enrolled full-time (twelve or more hours) and earn a grade point average of 3.50 or better (4.00 is all As).

The Dean's Academic Honor Roll is on display in the Student Center Building. Since it was initiated in 1980, 23 names have been added.

To qualify for this honor a student must complete four quarters or earn at least 48 quarter hours with all As.

Students from the Elba area who have been on the list one to three times are: Susan Bruckner, Marianne Daughtry, Rosie Doster, Peggy C. Fremd, and Cheryl B. Hancock, all of Elba; Jack Carmichael, Patrick Grider, Cheryl Hines, and Rhonda Sipper, all of New Brockton; and Judy Reynolds, Kim Weeks, and Sherry Weeks, of Kinston; and Wanda Wambles of Jack.

Since the junior college received a \$25,000 matching federal grant in 1978, TV reception outlets have been installed in all classrooms, and seven television monitor units are available for use by the instructors.

"From our control center in the Learning Resource Center, we can put live programs into classes, videotape them for later showing, or we can show 16mm film. Lowie Vickers, media specialist, said, "Instructors advise us ahead of time what they want and when they want it on the monitor and we take care of the details. This means they will not have to have a projector sent to their room or have to set up and adjust a projector. They get the movie or program desired at a lesson requested with no wasted time."

The closed circuit is also used to evaluate students and instructors. For example, if Mrs. Pansy Walden, swimming instructor, wanted to show her swimming students how they appear when swimming, Vickers will film a class session and she can use it to show the students what they are doing wrong or right. Also, instructors can be videotaped while presenting a lesson and later view the tape to find ways of improving.

Enterprise TV Cable has installed cables that may be used by ESJC to broadcast live or by videotapes over the cable channel. "This facility will be used in the future by our broadcast journalism class for regular campus news reports and for special activities that we may wish to air live," Vickers said.

### Eighth And Ninth 4-H

By WENDY NELSON (Edited by Lisa Taylor) Our first 4-H meeting was held October 28. At that meeting we elected officers. Our president is LeNete Clements, vice-president is Sarah Campbell, secretary is Teresa Cox, devotional leader is Tabatha Morris, and reporter is Wendy Nelson.

Our second meeting will be held November 17. At this meeting we had a photography contest. The winner was Janet Stewart. After that Mrs. Hughes handed out our project record books. Then she explained how to keep our record books.

**Madrigals Concert At ESJC**

By TERRIE CARTER The Troy State Madrigal Singers recently gave a Christmas concert for the student body at Zion. The performance was directed by Dr. William Jay Denison, who explained that Madrigals are pastoral songs that are usually contemplative in nature.

To be a member of this unique singing group you have to audition.

**Vocational Evaluation Is Ongoing**

By LAURIE DOSTER The vocational programs at Zion Chapel have been involved in their five year evaluation. The evaluation consisted of a covered district or state supervisor. They checked to see that the programs were being conducted in accordance with regulations.

The second step, which was recently completed, consisted of a review team coming into the school to interview Mr. Green, teachers and students.

### Senior Spotlight

By TERRIE AMONG He was elected Most Intellectual by the student body his junior year. This year he was elected co-president of the Christ the King

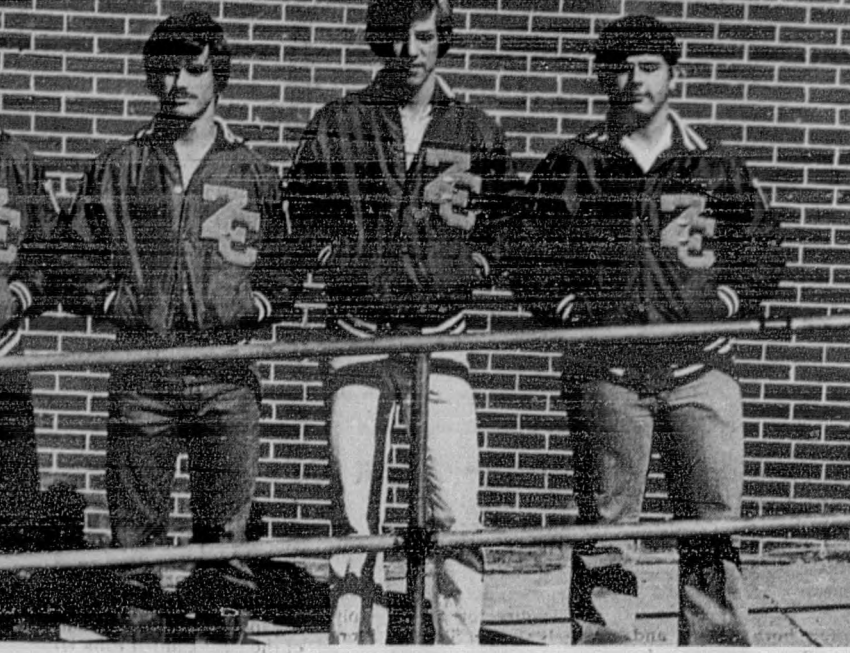

den of the Student Council Association. He is also editor of the 1982 Rebel Yearbook. He is an active member of the Christ the King

Lutheran Church, where he serves as an usher. His hobbies are extremely varied but fit his personality perfectly. Some of them are collecting rocks, fossils, stamps, old bottles, and match books. He also enjoys refinishing old furniture, polishing stones, cross stitch poetry and staining glass. After high school he plans to attend college at either Auburn, Louisiana State University, or William and Mary. His fields of study will include geology, anthropology and archaeology. After graduating from college he would like to work as a geologist for the U.S. Geological Survey, or for any state geological survey.

In case you haven't already guessed it, the senior spotlight is Steve McCarroll.

coming at the hands of the Long High Rebels. The first quarter was close, with both teams swapping buckets; but, going into the second quarter the Long team was able to pull ahead of the Rebels to take an eight point halftime lead.

The Rebels came out in the third quarter fired up, but were only able to cut the Long High lead by four points. The ZC Rebels never could get closer, and the Long Rebels took the win rather easily.

### Unemployment Rate Up

October's unemployment rate, announced recently by the Alabama Department of Industrial Relations, indicates the state is sinking deeper into the nationwide economic recession. Industrial Relations Director Franklin H. James said Alabama's unemployment rate jumped to 10.7 percent, the highest level since July 1980. The state's unemployment rate normally drops in October. This year, however, the jobless rate climbed for the second consecutive month. It is higher than the 9.8 percent reported in September and the 8.8 percent rate of a year ago. James attributed the sharp increase to widespread layoffs in manufacturing. Factory losses have gradually edged upward over the past two years, he explained. Every major group in the durable goods sector experienced significant losses between 1979 and 1980. Losses between 1980 and the present were less dramatic, but the cumulative effect is "substantial erosion of manufacturing jobs," James added.

### Westside Teens Make Trip To Birmingham

On Thursday, Dec. 3, a group of 16 senior high students left for Birmingham and Samford University. Thursday evening was spent providing music for a revival service at Indian Springs Baptist Church, and, after eating the group arrived at the campus, where they listened to one of the musical groups practice. On Friday morning, the group had a choice of attending a science class, a psychology class, or a religion class. There was a tour of the campus and then a time of information about entrance requirements, tests, financial aid and scholarships that are available. Lunch was served to the group in the College Student Center. The group arrived back in Elba about 4:30 p.m. Friday afternoon. Those leading the group were: Howard and Betty Foreman and Ben Ammon. The youth who attended were: Ben Mallory, Tammy Mallory, Donnie Byrd, Mark Bowers, Wendy Bowers, Jeff Ammon, Terri Ammon, Steve Cowart, Theresa Blackworth, Kevin Kelley, Kent Morrow, Lisa Grimes and Ken Knight.

THESE NEW BROCKTON kindergarten students dressed up like Pilgrims and Indians Wednesday, Nov. 25 to re-enact the Thanksgiving fellowship between the two original groups. The children, who are students in Ms. Elizabeth Murdoch's and Ms. Ann Barnes' classes, had been learning about Thanksgiving through various projects. Earlier in the week the students went to the Enterprise library to talk about fall things and see filmstrips. The trip was topped off with lunch at McDonald's.

### Singing Tree Planned For Christmas

The Christmas Choir of the Elba First Baptist Church will present "For God So Loved..." on the Living Christmas Tree December 13 and 14 at 7:00 p.m. The musical is composed mostly of familiar Christmas carols. The singing will be accompanied by 12 instrumentalists including trumpets, trombones, string synthesizer, bells, etc. The picture above was taken of a similar tree when it was presented in Eclectic Baptist Church, Eclectic, AL., on December 20, 1976. The second night of performance is provided so the whole community of Elba may attend.

### Card Of Thanks

The family of Jewell H. Johnson would like to express their grateful appreciation for the many kind expressions of sympathy, food, and beautiful flowers during the loss of our mother-a special thanks of appreciation to Dr. Santa Kossas, nurses, nurse-aides and orderlies at Elba General Hospital and to the Elba Nursing Home and nurses that visited her in the hospital. May God richly bless each of you. Give evidence of our gift by being in worship services in some church every Sunday.

### Elba Fire Department Election

The Elba Fire Department held their annual officers election November 23. The following firemen were elected to serve as officers through November 1982: chief-Loyd Driggers; assistant chief-Larry Goodson; captain -- Tim Bradshaw; lieutenant -- Bonnie Wilkerson; treasurer -- William Lawford; secretary -- Donald Lawford; and equipment officer -- Harold Hazen.

### Unemployment Rate Up

October's unemployment rate, announced recently by the Alabama Department of Industrial Relations, indicates the state is sinking deeper into the nationwide economic recession. Industrial Relations Director Franklin H. James said Alabama's unemployment rate jumped to 10.7 percent, the highest level since July 1980.

The state's unemployment rate normally drops in October. This year, however, the jobless rate climbed for the second consecutive month. It is higher than the 9.8 percent reported in September and the 8.8 percent rate of a year ago.

James attributed the sharp increase to widespread layoffs in manufacturing. Factory losses have gradually edged upward over the past two years, he explained. Every major group in the durable goods sector experienced significant losses between 1979 and 1980. Losses between 1980 and the present were less dramatic, but the cumulative effect is "substantial erosion of manufacturing jobs," James added.

Non-manufacturing employment expanded during 1979-80, but a downward trend has been noted this year. Losses have been reported in construction, transportation and public utilities, and wholesale and retail trade.

Nationally, the unemployment rate increased from

6.3 percent in September to 7.5 percent in October.

### MacArthur Tech Honor Roll Told

The honor roll has been announced for the fall quarter at MacArthur State Technical College.

Among those who made straight A's in the Elba area were: Jackie Hardy, Donald J. Davis, Donald Davis, Kenneth Deal, Donald Phelps, James White, Jeffrey Smart, Vickie Smith, Dale Todd, Helen Hodge and Jimmy Evans. Jack, Audrey Skinner and Jeffrey Flowers; Kingston, Dan Wilkerson and Peggy Pitts; Samson, Dianne R. Carley, Randall Thames, Clifford Alford, Karla Brooks, and Nancy Gunter.

On Tuesday, Dec. 15, the Elba Beginner and Intermediate bands will be presented in concert. The program will begin at 7:30 p.m. and conclude within the hour.

Both bands, under the direction of Barry Taff, are excited about performing Christmas music for the public. The 7th grade students are in their third year of band. The 6th grade band members have only been playing for 12 weeks. They are very proud to be making their first public appearance.

All family and friends are invited to the high school auditorium next Tuesday evening to listen to Elba's youngest bands.

### Westside Teens Make Trip To Birmingham

On Thursday, Dec. 3, a group of 16 senior high students left for Birmingham and Sanford. University. Thursday evening was spent providing music for a revival service at Indian Springs Baptist Church, and, after eating the group arrived at the campus, where they listened to one of the musical

On Friday morning, the group had a choice of attending a science class, a psychology class, or a religion class. There was a tour of the campus and then a time of information about the campus, where they listened to one of the musical

On Saturday, Dec. 4, the group arrived back in Elba about 4:30 p.m. Friday afternoon. Those leading the group were: Howard and Betty Foreman and Ben Am-long. The youth who attended were: Ben Mallory, Tam-

mi Mallory, Donnie Byrd, Mark Bowers, Wendell Bowers, Jeff Am-long, Terri Am-long, Steve Cowart, Theresa Blackworth, Kevin Kelley, Kent Morrow, Lisa Grimes and Ken Knight.

Sanford University is owned and operated by the Alabama Baptist Convention.

The Christmas Choir of the Elba First Baptist Church will present "For God So Loved..." on The Living Christmas Tree December 13 and 14 at 7:00 p.m.

The musical is composed mostly of familiar Christmas carols. The singing will be accompanied by 12 instrumentalists including trumpets, trombones, string synthesizer, bells, etc.

The picture above was taken of a similar tree when it was presented in Elba Baptist Church, Elba, AL., on December 20, 1976.

The second night of performance is provided so the whole community of Elba may attend.

THESE NEW BROCKTON kindergarten students dressed up like Pilgrims and Indians Wednesday, Nov. 25 to re-enact the Thanksgiving fellowship between the two original groups.

The children, who are students in Ms. Elizabeth Murdock's and Ms. Ann Barnes' classes, had been learning about Thanksgiving through various projects. Earlier in the week the students went to the Enterprise library to talk about fall findings and see filmstrips. That trip was topped off with lunch at McDonald's.

PASTOR'S CORNER  
JOHN C. CARMICHAEL  
PASTOR, ELBA UNITED METHODIST

Christmas gifts are a very real part of the Christmas season. Many people are puzzled over what to give this person or that. In all our decisions of what to give this Christmas, have we thought about whose birthday it is, and what we should give him?

What kind of gift can we give Christ? What would be suitable for us to give to our Lord?

We spend hours trying to decide what to give to certain people, because we want to give something that will be appreciated and also convey our thoughts and our love. For instance, we do not give grandmother a pair of roller skates...unless she is an unusual grandmother. And we do not give a five-year-old a leather-bound edition of the Encyclopedia Britannica.

Yes, we seek to give gifts that can be appreciated and used. So, any gift we give to God should be something He can use and appreciate. Many might offer

the family of Jewell H. Johnson would like to express their grateful appreciation for the many kind expressions of sympathy, food, and beautiful flowers during the loss of our mother-a special thanks of appreciation to Dr. Santa Rosa, nurses, nurses-aides and orderlies at Elba General Hospital and to the Elba Nursing Home and nurses that visited her in the hospital. May God richly bless each of you.

Our minds and our bodies are the most precious things we possess, and our willingness to give them to Christ is the best evidence of our gratitude to our heavenly Father for His most precious Gift to us.

We might also stop to think that only in giving ourselves to Christ can we preserve ourselves for all eternity. Spending our lives on the material and physical things of the world can only result in our going the way of all things material and physical--decay and ruin.

Let's make sure we give God our best this year and give evidence of our gift by being in worship services in some church every Sunday.

## BULLDOGS FALL TO BRANTLEY, EDGE STRAUGHN

The Brantley Bulldogs, led by the play of 6-6 Chuck Person, opened their season on a winning note last Tuesday night by claiming a convincing 72-55 win over the Kinston Bulldogs, in Kinston.

BRANTLEY CENTER Chuck Person (45) goes high to drop in an easy bucket in the opening win over Kinston.

Brantley jumped out to an early 4-0 lead in the game, but Kinston came roaring back and moved on top 7-6 on a bucket by Shane Smith. Brantley regained the lead at 8-7, only to see Kinston run off 7 unanswered points and take a 14-8 advantage. The "Green and White" Bulldogs were unimpressed by the surge and rallied late in the stanza to pull within one point at 14-13.

The lead saw-sawed early in the second quarter when Person scored on two dunks by Person to wow the crowd, and the visitors then ripped off seven unanswered points, all by Person, as Brantley went on top 27-22. At the half, Kinston was down, but a long way from out, trailing 32-27.

Person scored four quick points in the third stanza to up Brantley's lead to 36-27, and Kinston's shooting touch went suddenly icy cold, as Brantley ran away and

opened a lopsided 48-31 lead midway through the quarter. Kinston settled down late in the stanza and matched Brantley bucket for bucket the remainder of the game; but at the final horn Brantley had the win 72-55.

Chuck Person scored 37 points, grabbed 20 rebounds, leeked six shots and handed out three assists to spark Brantley; while Kirk Bogan added 12 points. Mike Rhodes scored 17 points to lead Kinston.

Person scored four quick points in the third stanza to up Brantley's lead to 36-27, and Kinston's shooting touch went suddenly icy cold, as Brantley ran away and

Bogan 12, Salter 8, Kinston [55]; Lane 15, Smith 8, Rhodes 5, Straughn 15.

The Kinston Bulldogs overcame foul troubles and opened a 14-8 lead in the first quarter, only to see Brantley grab the lead at 50-49. A bucket by Free put Kinston back in front 51-50, and the lead again saw-sawed with Kinston nosing in front 54-53 late in the game. Darren Smith went to the foul line

Free 12, Rhodes 17, Smith 8, Kelley 3.

Both teams pressed in the third stanza and the pace picked up as both teams began to get warmed up offensively. The Bulldogs carried a 47-41 lead into the final quarter, only to again go cold from the field, and Straughn came roaring back to grab the lead at 50-49. A bucket by Free put Kinston back in front 51-50, and the lead again saw-sawed with Kinston nosing in front 54-53 late in the game. Darren Smith went to the foul line

with 14 left and his team on top by one point, and hit both ends of a-one and one to give Kinston the win 56-53.

Tim Free scored 22 points to lead Kinston, while Shane Smith added 10. Crittenden led Straughn with 15.

"We didn't have a very good week, but it's a long time until February," said

Kinston's Coach Pete Kelley in a Monday phone conversation. "Chuck Person is a lot better player than everybody thinks and his presence on the court intimidated us in the loss to Brantley. We had a pitiful night offensively and Person shouldn't have made that escape with a win. We were still off a little offensively, but our defense pulled us through. This week we are going to work a lot on positioning on rebounds, shooting and our first break. It's still early in the year and we know we're going to get better."

### Big Second Quarter Lifts Cats To 65-48 Romp Over Elba

The New Hope Wildcats pulled away in the second stanza and held on to defeat Elba Junior High 65-48 last Tuesday night at the Wildcat gym.

The win upped New Hope's record to 4-1, while the loss left Elba with an 0-1 slate.

### Dauphin Jr. Cages Wildcats 87-66

The New Hope Wildcats fought gallantly for two quarters, but ran out of gas in the second half and lost to Dauphin Junior High of Enterprise, 87-66, in the New Hope gym.

New Hope led in the opening stanza and battled the heavily-favored Dauphin team to even terms for much of the first half. The Wildcats were tied at 29-29 late in the half, only to see Dauphin run off eight straight points and go in at halftime with a 38-31 bulge.

Dauphin began to take total charge in the third quarter and moved out to a quick 20-point lead, and although New Hope couldn't catch up, the Wildcats hung tough and battled to the end, losing 87-66.

Martin Jackson and Greg Flowers scored 10 points apiece to lead New Hope, while Dauphin's Whittaker led all scorers with 24.

Dauphin led all the way to dump New Hope 56-18. Scoring for the Wildcats, now with a 2-2 record, were Timmy Haynes 9, Dale Lip-trot 7 and Jody Bass 2.

### Cats Dump Brockton

The New Hope Wildcats used a stingy defense and a patient offense last Friday night to post a 47-33 win over Brockton.

The Wildcats held a slim 12-8 lead after one stanza, but began to slowly take charge and by the end of the third quarter had moved on top 30-20. New Hope got its offense cranked up late in the game and pulled away to post the win.

Frankie Downing scored 24 points and grabbed 10 rebounds to lead New Hope, while Martin Jackson added 10 points and 10 rebounds. Pacing the Wildcat defense was Dennis Evans. Keith Patterson scored 17 to lead New Brockton.

N. Hope (47): Downing 24, Flowers 8, Jackson 10, Duncan 4, Haynes 1.  
N. Brockton (33): Patterson 17, Cole 6, Williams 6, Haynes 2, Williams 2.

New Hope led all the way to defeat Brockton 40-27 in the B game. Scoring for New Hope were Dale Lip-trot 14, Haynes 6, Smith 8, 1. Lip-trot 5, Keel 3, Johnson 2.

Scoring for New Brockton were Williams 5, Adkinson 2, Marler 2, Johnson 3, Foster 2, Jeff C. 4, Darrell W. 2, Johnny G. 2, Ronnie K. 2.

Elba jumped into an early 4-0 lead in the game, but New Hope rallied to grab the lead at 8-6 and began to slowly pull away. The Wildcats outscored the Tigers 17-6 in the second quarter to take a big 41-22 advantage, and the two county rivals swapped buckets for the remainder of the game, with New Hope claiming the win 65-48.

Frankie Downing scored 24 points and grabbed 10 rebounds to pace New Hope, while Greg Flowers and Martin Jackson added 15 points each. John Hudson led Elba with 18 points.

### Hunting Is More Than Just A Sport

Bill Hughes District Conservationist

We hear and read a good bit today about hunting and its effect on wildlife. Unfortunately, some of what we hear and read comes from organizations and individuals who are opposed to hunting, even posing to legal hunting during open hunting seasons.

Of course, nearly everybody is opposed to killing game by non-sporting means, to out-of-season

hunting, to hunting on another's land without permission, to exceeding daily bag limits, and to all other illegal hunting. Only the hardened violators seem to favor illegal hunting. Unfortunately, we still have more than our share of these violators. And their actions are causing many landowners and other concerned people to look with disfavor on sport hunting—the kind that's as much a part of our American heritage as the Fourth of

July.

Let's see what wildlife biologists say about sport hunting and its effect on wildlife. As you may know, wildlife biologists are in the best position to know. They have spent many hours in research on the subject. Their statements are based on fact, not emotion. They are neither for nor against anything related to wildlife, unless they know for sure whether or not that thing is good or bad for wildlife.

Wildlife biologists say that sport hunting during legal hunting seasons does no real harm to wildlife. On the contrary, they say that frequently such hunting is beneficial to wildlife. They cite the white-tailed deer as a species that often eats itself out of house and home unless it is heavily harvested each year, preferably by sport hunting. Here's why: wild life biologists say that sport hunting has no bad effects on wildlife.

Game animals cannot be stockpiled; and, a majority of each species lives to be less than a year old whether hunted or not. Here are the rates at which nature harvests some of our most valuable wildlife: mourning

LARRY E. MARTIN

LARRY WARE

Airman First Class Larry E. Martin has finished basic training at Lackland Air Force Base, Tex. While there, Larry was assigned to the 3709 Basic Military Training Squadron. He was taught military skills, and good citizenship was emphasized. The trainee's physical, mental and spiritual welfare was of major concern to the S.A.F. where the best of medical facilities and religious services of all faiths are available. Larry's mother is Ms. Ludiusa Jones of Elba. He is presently stationed at Eglin Air Force Base, Fla. Lt. Larry Ware, son of Mr. Elizabeth Ware of Elba, is training to be a cannon crewman. Emphasis is placed on map reading, discipline, physical and military alertness and military justice. While at Ft. Sill, Okla., religious services are available, as well as recreation. Upon his return to Elba, Young, O'Shea Jones, Missy

Larry will be assigned to the 2nd B 117 F.A. unit, where Cpt. Orville Newman is the commander, and Roy Parrish is first sergeant. The 2nd B 117 F.A. cooks presented its fellow soldiers with one of the most delicious dinners it has had in a long time Sunday. Thanks from all of us on a job well done. To all Sagittarians—although you've been trying to steer a steady course in recent months, events and attitudes of this week could throw you off stride. Don't become too alarmed with them. Larry Ware, son of Mr. Elizabeth Ware of Elba, is training to be a cannon crewman. Emphasis is placed on map reading, discipline, physical and military alertness and military justice. While at Ft. Sill, Okla., religious services are available, as well as recreation. Upon his return to Elba, Young, O'Shea Jones, Missy

## SERVICE NEWS

### STEVEN JONES

Staff Sgt. Steven W. Jones, whose wife, Judy, is the daughter of Mr. and Mrs. Jack Corley of Elba, played an important part in the success of the latest launchings of the space shuttle Columbia at the Kennedy Space Center, Fla.

Jones was a member of the support team that included security police specialists, transportation and former dean of women at Tuskegee Institute, died recently in Tuskegee. She was 85. She often recalled Washington's theory that blacks must have practiced skills as well as liberal education, and his insistence that Tuskegee participate in the school's military drills. She associated herself with many civic organizations.

I was so captivated upon reading this poem that I had to share it with my readers:

True love is not so blind! It sees faults as well as virtues, unhesitatingly accepting the fact that no one is perfect. Love says, and with honest feeling, "I know that I shall be liked by your inability ever to be on time. I know that you will be irritated by my smoking. I know that differences in our energy and tempo will annoy both of us until we learn how to work them out together. But, despite these difficulties, we see so much of value in each other that we are willing to accept them. Love is a life force superior to what either of us could achieve alone. What matters is that we each sense the kind of person the other is, and want to cherish him for what he really is."

No two human beings can possibly live together in the most intimate emotional relationship without sometimes frustrating each other. Understanding is the key to this. It is not a matter of being blocked it turns to anger and hate. To think that there are no things to be given up for each other is to suppose that love costs nothing. Love is self-discovery and self-fulfillment through healthy growth with and for the other person.

Real love will grow as the years go by. The very experience of loving will lead to the discovery of how to love better. The only thing in the world as strong as love is

### ALEXANDER HAYGENS

Pfc. Alexander R. Haygens, son of Elmore Haygens of Rt. 2, Kingston, completed One Station Unit Training (OSUT) at the U.S. Army Infantry School, Fort Benning, Ga.

OSUT is a 12-week period which combines basic combat training and advanced individual training.

The training included weapons qualifications, patrolling, landmine warfare, field communications and combat operations. Completion of this course qualifies the soldier as a light weapons infantryman and as an indirect fire crewman.

Soldiers were taught to perform any of the duties in a rifle or mortar squad.

### TEN YEARS AGO

DECEMBER 9, 1971

\*\*\*Cecil Kidd killed a quail that was almost entirely white. The bird had a few typical brown quail feathers on his wings but his feathers were predominantly white.

\*\*\*Mr. and Mrs. James Erskine Williams announce the engagement of their daughter, Margaret Louise, to Raymond Frank Lynn Jr., son of Mr. and Mrs. Raymond Frank Lynn of Brewton. The wedding is to be January 2, at three o'clock in the afternoon at the Elba United Methodist Church.

\*\*\*From EHS Report: Senior of the Week - Mark Vaughan. Mark's hobbies include: hunting, football, tennis, ping pong and skiing. He plans to attend the University of Alabama to study law. He is a member of the Science and French Club, and his pet peeve is criticism where it isn't needed.

\*\*\*Included on the president's list at the University of Southern Mississippi for fall quarter was Susan Alcaitha Smith of Kingston.

\*\*\*Miss Nancy Brunson, biology instructor at Enterprise State Jr. College, displays useful items made from litter by her environmental biology students: a hairpin from film can; two candlesticks from beer bottles; coasters from Anom pickle jars; lamp from plastic milk bottle.

\*\*\*Misses Zedie and Elizabeth Rowe were visitors to Andalusia during the weekend, having been called on account of the illness of Benny O'Neal, son of Mr. and Mrs. Milton O'Neal, who underwent an operation for appendicitis. He is reported to be getting along nicely.

\*\*\*The Curtis Energetic Club, as usual, met in the sixth-grade room Friday afternoon for its weekly meeting, with President Joe Donaldson presiding. Elba Grace Rasco called the roll and read the minutes of the last meeting. Nell Coyne gave the treasurer's report.

\*\*\*Donald Eugene Vaughan, little son of Mr. and Mrs. Paul Vaughan, underwent a tonsil operation at Edge Hospital in Troy one day last week and is reported to be getting along nicely.

\*\*\*Purdue News: Mr. and Mrs. Rufus Wilson and daughter, Ann, of Hebron, were supper guests of Mr. and Mrs. Hollie Bouwell and daughter, Vivian, Sunday evening.

\*\*\*Mrs. Ruben Daughtry of Kingston was hostess for a pretty tea honoring Mrs. Edna Foley (nee Ann Kendrick) at her home, 1015 S. 1st St., Friday night, November 24, from 7 until 9 p.m. Mrs. John Foster presented the guests to the receiving line: Mrs. Foley, the honoree; Mrs. Lois Kendrick, her mother; and Mrs. Edna Prescott, Miss Jo Linda Saunders, registered the guests in the bride's book. Misses Myra Martin and Mrs. Clarence Bailey served the bride's punch. Mrs. George Clark and Mrs. Paul Martin were in charge of the gift rooms.

\*\*\*Mrs. Fred Johnson was hostess at a delightful dinner party Tuesday evening at her home. The occasion was to honor Miss Freddy Johnson on her 16th birthday. The table at which the guest of honor sat was centered with a lovely bouquet of pink roses encircling a miniature angel. This, and another long table were covered with snow white linen. The two-tiered cake, holding 16 tiny candles completed the table decorations. Enjoying a delicious plate with Freddy were: Kathy Anderson, Jimmy Enzor, Johnny Locklar, Johnny Vaughan, Charles Pearce, Angeline Smith, Bob Durham, Kayron McDowell, Ricky Kennett, Sammy Edmondson, Charles Devane, Joe Braxton, Cheryl Clark, Latane and Joe Clark, Betsy Inman and Ann Waters.

\*\*\*Dr. and Mrs. J.M. Kimmy were worrying about what they could do about the eight pups Andy's dog had presented them with. Their appetites couldn't be satisfied and often they would interfere

with a good night's sleep. After advertising them over KRLD's Swap Shop, they said they could have given for two dogs alike for her twins, but all of them were gone by then.

\*\*\*Elbians attending the Auburn-Alabama football game in Birmingham Saturday were Mr. and Mrs. J.D. Whitman and son, Buddy; J.J. Lindsey, Charles Lindsey, Mr. and Mrs. H.B. Larkins, Mr. and Mrs. Sam Casey, Quinton Burgess, Frank Buckner and James Paterson.

\*\*\*Kinston News: Miss Sue Weeks, small daughter of Mr. and Mrs. Jay Weeks of Columbus, Georgia, spent some time with relatives here. She was accompanied home Monday by her grandfather, John J. Thoman, who will spend several days with them.
